# **Product information for identification** of energy consumption relevant products

The following product data are in compliance with the requirements of the EU directives no. 811/2013, and no. 813/2013 as amendment to the directive 2010/30/EU of the European Parliament and the directive of 19 May 2010 n the submission of the energy consumption and other resources through energy consumption relevant products, by means standard uniform etiquette, labelling and product information.

#### Product data

BHKW type smartblock 75s Natural Gas Fuel (NG) Motor **HMG** Volume heating unit CHP Yes Value added burner Yes Supplementary heater No Low temperature boiler No B11 boiler No Combination heater No Nominal heating capacity Prated 140 kW Annually adjusted room heating 137 % efficiency ns Energy efficiency class A ++

### **Usable heating power**

With nominal heating power and additional heating element switched off or on

P<sub>CHP100+Sup0</sub> resp. P<sub>CHP100+Sup100</sub> 139,8 kW

#### Thermal resistance

At nominal heat performance with additional heating unit switched on or off 60,1 %  $\eta$ CHP100+Sup0 resp.  $\eta$ CHP100+Sup100

# **Electrical performance**

At nominal heating performance of the room heater with CHP either switched on or off additional heater 32,6 %  $\eta_{el,CHP100+Sup0}$  resp  $\eta_{el,CHP100+Sup100}$ 

### Additional heater

Nominal heating power Psub Type of heating influx

## **Auxiliary power consumption**

At full load elmax u. partial load elmin 0,936 kW In ready mode PSB 0,060 kW

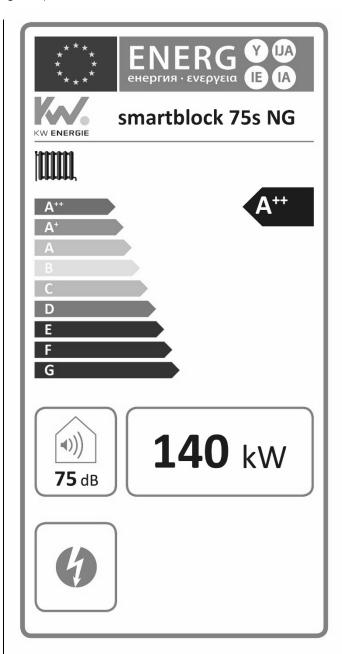

### Other details

Heat loss in ready mode P<sub>stby</sub> 0,442 kW

Energy consumption of ignition

Annual energy consumption QHE

2111 kWh Noise performance level inside LwA 75 dB

All technical data are standard references according to EN 50465. Power adjustments for environmental conditions are according to EN 50645, ch. 7.6.1. The tolerance for specific fuel consumption is +5%. All efficiency ratings are according to EU-VO No. 813/2013 for the total energy supply for the combustion value (Hs) as calculated. According to our corporate policy and all further development we reserve the right to modify all data and characteristics without prior notice. All data refers to new ex-factory systems without wear and tear.
